Training in: Human Factors - Resilience - Post Incident Support

PSA is delivering a training course **The Secrets of Psychological Body Armor™ – Holistic Wellness for Emergency Services and Healthcare Professions** on 29 September 2021 **online** from 8.30am – 4.30pm.

Course Description

This ICISF accredited course is designed to aid you in building a personal culture of resilience and holistic health. Our unique approach is intended to help you learn to better manage the stress in your life in order to increase your potential for happiness, success, and even create a competitive advantage through the creation of what we call Psychological Body Armor™. There is no “quick fix” in this program. It is not designed to be a “pop psych” feel-good course. Rather, this course contains facts and specific suggestions for actions you can take to enhance your personal resilience, all based upon the latest and most credible science.

Learning Objectives

Students will be able to:

- o Describe the nature of Psychological Body Armor™ (PBA)
- o Recognise resilient attitudes
- o Use physical exercise to strengthen PBA
- o Use nutrition to fuel PBA
- o Use rest to recharge and restore PBA
- o Use interpersonal support
- o Understand how spirituality relates to PBA
- o Develop a PBA plan
